PCAT Prep Summer Program 2017

Through a partnership between the **UAMS College of Pharmacy (COP)**, **UAMS Center for Diversity Affairs (CDA)**, and **National Pharmacists Association of Arkansas (NPAA)**; the PCAT Prep Summer Program is being offered this summer (2017) to underrepresented minority pre-pharmacy students applying to the College of Pharmacy during the next application cycle for admission to the fall 2018 P1 class. The partnership is based on CDA's outreach and recruitment focus toward the recruitment of underrepresented minority (URM) students, on NPAA's longstanding efforts to provide PCAT prep opportunities to minority students, and on the College of Pharmacy's mission that seeks to "improve health of culturally diverse populations." In conjunction with this mission, the PCAT Prep Summer Program (PPSP) was developed to ensure prospective URM pharmacy school applicants with equal opportunity, and to ensure diversity at UAMS as well as within Arkansas' pharmacy profession. The program includes Kaplan PCAT preparatory sessions, pre-pharmacy workshops, pharmacy shadowing, and a culminating networking reception. All eligible students are encouraged to apply.
