

Oral Surgeon

The University of Texas Southwestern Medical Center, Department of Surgery, Division of Oral Surgery, is seeking applications for a part-time (20%) position as Assistant, Professor of Oral and Maxillofacial Surgery.

Responsibilities include the supervision and teaching of graduate level residents. This position will be primarily working at Parkland Hospital. Candidates must have a dental degree, have completed an approved U.S. or Canadian OMS residency, be eligible for licensure in Texas, and be board-certified or board-eligible. Salary will be commensurate with experience and qualifications.

UT Southwestern ranks among the top academic medical centers in the world. Our distinguished faculty includes active Nobel Prize winners. Nearly 4,200 medical, graduate and allied health students, residents and postdoctoral fellows are trained each year. Our physicians provide care to patients at UT Southwestern University Hospitals and Clinics as well as three other affiliated hospitals.

The Dallas area boasts a low cost of living with diverse neighborhoods and great schools. The area has world class quality of life options, with more than 175 museums and art galleries, premier performance halls, numerous parks, lakes, golf courses and seven professional sport franchises.

Interested and qualified candidates should send a cover letter, curriculum vitae, and three letters of reference to:
