

Pediatric Surgeon

The University of Texas Southwestern Medical Center, Department of Surgery, Division of Pediatric Surgery, is currently recruiting for a faculty member at the Assistant Professor level. Applicant must be Board Certified in General Surgery, have completed a Pediatric Surgery Fellowship, be Board Eligible or Certified in Pediatric Surgery, and be eligible for a Texas Medical License.

Successful candidates will be committed to patient care, resident, fellow and medical student education and scholarly activity that advance clinical medicine. Candidates will be expected to participate in the clinical practice and teaching programs at Children's Medical Center, Clements University Hospitals, and Parkland Memorial Hospital. Educational responsibilities include the clinical training of pediatric fellows and general surgery residents. A commitment to basic or clinical research is essential.

UT Southwestern ranks among the top academic medical centers in the world. Our distinguished faculty includes active Nobel Prize winners. Nearly 4,200 medical, graduate and allied health students, residents and postdoctoral fellows are trained each year. Our physicians provide care to patients at UT Southwestern University Hospitals and Clinics as well as three other affiliated hospitals.

The Dallas area boasts a low cost of living with diverse neighborhoods and great schools. The area has world class quality of life options, with more than 175 museums and art galleries, premier performance halls, numerous parks, lakes, golf courses and seven professional sport franchises.

Interested and qualified surgeons should send a cover letter and curriculum vitae to:
