

The University of California, Davis, Department of Surgery

Academic Vascular/Endovascular Surgeon

The Department of Surgery at the University of California, Davis Health located in Sacramento, California, seeks to hire a two full time Vascular/Endovascular Surgeons in the Division of Vascular and Endovascular Surgery at the assistant or associate professor level, in the Health Science Clinical Professor, or Clinical X series. The Division of Vascular Surgery is a comprehensive academic program including an integrated residency in vascular surgery, basic and clinical research, an active clinical service, and affiliations with the Veterans Administration hospital in Sacramento and David Grant Medical Center on Travis Air Force Base in Fairfield, California.

The selected candidates will contribute to the growth of the educational, research and clinical missions of the surgical programs at UC Davis Health. Expected responsibilities include teaching, clinical care, both inpatient and outpatient, and research relating to vascular disease. Clinical duties include resident/fellow supervision, open vascular and percutaneous endovascular work at both the UC Davis Medical Center and one or more VA/DoD facilities. Ready access to hybrid O.R.s, Catheterization Labs, Simulation Centers, etc. will be available. The selected candidates will work collaboratively and integrate with our partners.

Basic Qualifications:

Qualified candidates *must* possess a Medical Degree; and be eligible or certified by the American Board of Surgery in Vascular Surgery. Candidates must be able to show 2 or more years of leadership and administrative experience relating to clinical and educational programs and successful research activities; based off of previous positions, duties, and leadership responsibilities. All candidates must have the ability to work cooperatively and collegially within a diverse environment.

Additional Qualifications:

Candidates must be able to obtain a California Medical License and a California Fluoroscopy Operator's Permit before the start date.

Salary and level of appointment will be based upon experience and qualifications.

Qualified applicants should apply online at UC Recruit: <https://recruit.ucdavis.edu/apply/JPF01866> by uploading a Letter of Interest outlining research, educational, and administrative experience; curriculum vitae with bibliography; statement of contributions to diversity, and the names and contact info of at least three professional references.

For more information, please contact the search committee chair, William C. Pevec, MD at: surgery.jobs@ucdmc.ucdavis.edu

**For full consideration applications must be received by October 30, 2017
However, the position will remain open until filled through June 30, 2018**

This recruitment is conducted at the assistant/associate rank. The resulting hire will be at the rank of assistant or associate, regardless of the proposed appointee's qualifications.

UC Davis commits to inclusion excellence by advancing equity, diversity and inclusion in all that we do. We are an Affirmative Action/Equal Opportunity employer, and particularly encourage applications from members of historically underrepresented racial/ethnic groups, women, individuals with disabilities, veterans, LGBTQ community members, and others who demonstrate the ability to help us achieve our vision of a diverse and inclusive community.

Under Federal law, the University of California may employ only individuals who are legally able to work in the United States as established by providing documents as specified in the Immigration Reform and Control Act of 1986. Certain positions funded by federal contracts or sub-contracts require the selected candidate to pass an E-Verify check. More information is available <http://www.uscis.gov/e-verify>.
