

Summer Research Fellowship Proposal for 2020

FACULTY INFORMATION:

NAME: Wendy L. Ward, Ph.D., ABPP

DEPARTMENT: Office of Interprofessional Education, UAMS

LOCATION: Rahn 1214

PROJECT INFORMATION:

TITLE: Interprofessional Education: Building Student and Faculty Collaboration Skills

LOCATION OF THE PROJECT: UAMS

BRIEF DESCRIPTION OF THE PROJECT:

The Office of Interprofessional Education is charged with building team collaboration skills across UAMS—students, faculty, clinical staff, administrative staff. The office is collecting data from approximately 300 events per year addressing the degree to which participants feel the educational events are useful, relevant, and meet the stated learning objectives. Additionally, events target changes in knowledge, skill, competence, and attitudes toward team-based collaboration across clinical, educational, and research missions here at UAMS. The student would be a valuable member of the OIPE team analyzing this data, disseminating this educational research, and planning the next year’s educational events.

STUDENT’S RESPONSIBILITIES-DUTIES IN THE PROPOSED PROJECT:

Literature review, data entry, formatting references, helping with events, helping with write up of manuscript, helping with design of posters.
